Have this boat since April. It was a small project.

Have brand new carpets new upholstery new seats 2 new live jackets new LED lights around main deck new navigation lights.

Outboard is Yamaha 55hp with electric and pull start. I have replaced few parts so it runs perfect. Gearbox, brand new propeller, spark plugs, ignition coil, and cdi box. This cost me in total £500.

Trailer is galvanized painted few weeks ago. Have brand new wheels brand new bearings (all bought in April this year) brand new winch up to 1500kg, 2 brand new middle rollers..

Boat is red flake glitter. Boat is ready to go on the water only fuel needed.

Selling this boat because bought another.
