Hello, I am Robert Cooper and I give help and advice to many people who are applying for a job or are writing their application forms/CV and want to practise and develop their interview technique.

Whether you are a school or college leaver, someone looking for a new career direction, or perhaps you are returning to work after a long period of time, I can help you prepare for your interview.

I have experience with charing competency based interviews and will coach you on how to structure your evidence using the STAR technique, enabling you to present this to your panel with confidence.

What to expect from me:

- A professional, personable, tailored service
- Listening to your needs and concerns
- Providing you with support and guidance
- Giving you valuable interview skills and techniques
- Working with you to develop and coach your skills
- Allowing for practice and developmental feedback
- Creating a safe environment for you to build your confidence and deliver your evidence effectively

Please visit my website for further details of the services that I provide.
