Do you have a 3, 4 or 5 bedroom house that you would like to rent out to professional tenants in return for guaranteed rent?

I am a relocation agent looking immediately for 3 - 5 bedroom properties in Langley, Slough and Burnham to house professional tenants on long term contracts (even up to 5 years). We house professional tenants from companies such as BA, O2, Blackberry, Wexham Park Hospital and are desperately in need of more properties for waiting clients.

We guarantee your property will be well looked after. We provide our own cleaners and gardeners and have a team that manages and maintains the property throughout the time we rent it - it at no cost to you!

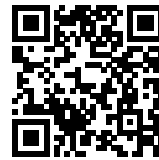

We are happy to furnish your property and guarantee that it will be well looked after. We provide our own cleaners and gardeners and have a team that manages and maintains the property throughout the time we rent it - all at no cost to you. All we need in return are good quality, good sized properties that would be attractive to professional tenants!

The photos above are from one of our latest properties, so you can see the standards we.
