Is your bathroom sealed with silicon sealant? Does stain or mould build up on it? Or is just loose and does not seal any more ? In time most caulk will mould ,dry up ,peel, or crack. If ignored ,exposed caulk can result in severe water damage and costly repairs. Please get in touch for a free quote if you live 5 miles within Chislehurst . You can contact me on email address click to contact or send me a text on my mobile 07448 827 582 07448 827 5...(click to reveal full phone number)
