The hard drive was removed from a NEW desktop PC after an SSD upgrade and only has a couple of Manufacturer's 'Power on Hours' use with Performance and Health showing 100% Excellent (see photo's) - The operating system has been wiped and the disk formatted as NTFS.

The price is £17.99 per unit but would consider an offer for the whole 5 units.

Product Overview

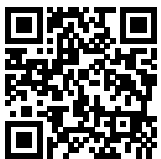

Toshiba's 7200 RPM 3.5-inch (8.9cm) HDD series is optimised for use in power-friendly consumer and commercial desktop computers, gaming PCs and external HDDs.
