A Rock N Roll Night to remember! Singing, Dancing and laughter! In aid of The Alzheimer's Society. The Spinettes are taking a break from being Guest Entertainers on the most luxurious ships in the world to join forces with their friend and host of the evening Matthew Goodgame. Matthew has played many leading parts in the West End and Internationally including roles such as: Danny in Grease, Billy Flynn in Chicago, Greaseball in Starlight Express as well as winning Channel 4's Musicality which shot him to fame in 2004. Sadly Matthew lost his Mother at the tender age of 60 to the cruel disease Alzheimer's and over the past few years has been raising money and awareness to help find a cure. The Spinettes with their sparkling personalities, slick choreography, stunning voices and glamorous look alongside the smooth voice of Matthew not only brings you your favourite hits from the 1950s and 60s but will be sure to have you singing and dancing. The West End on your doorstep!
