

Pretty Appaloosa x Mare (1,550 GBP)

Location **Wales, Gwent**

'Arla' has been owned by me since a yearling. She is 3yrs old on 01/05/18.
 Her dam is a quality registered Welsh mare with Eppynt and Revel lines. Her sire is a 16hh appaloosa x TB stallion by the famous 'Champagne Charlie' and 'Amazing Blue'
 Arla has an amazing temperament, loves people and other horses. Not marish. She comes to call in the field, picks feet up regularly, stands tied, had rugs, tack, hi-viz, boots etc. She doesn't like the scary measuring stick quite yet, tho' will happily have small children run around and sit on her!
 She has had many walks in hand out on country roads / woodlands alone and in company. She has been introduced to coloured poles in the school and walks over them happily. She is good with traffic, the farrier, dentist, children and dogs. She also does a trick and trots on voice command. She does load but likes to think about it first! But this is only because she has only ever been on a horsebox twice with me leading her (a rusty novice owner!)
 I intended to keep Arla myself but I am relocating and sadly cannot take her with me, hence this utterly heartbreaking sale.
 She will make a fantastic all rounder / competition pony. I would love to stay in touch with new owners to see how she progresses.
