We are pleased to announce that we now have added availability for DIY / assisted DIY and Grass liveries. All liveries are at a very natural and peaceful setting over 20 plus acres. This is a fabulous environment for happy hackers, good doers, semi-retired and retired horses but not restricted to those. We are looking for like-minded, relaxed happy horses and owners to join us at our small, friendly and newly refurbished yard. The yard is very accessible in all weathers and the owner, who keeps four horses on an adjacent yard, inspects daily for peace of mind.

The yard is situated on a private residential road and within 10 minutes ride of Ashted and Epsom common with some fantastic all-year hacking. If you want to explore a little further, Horton Country Park, Epsom Downs, Headley and Mickleham are all within hacking distance or you may enjoy a ride across Epsom Common to the pub for a quick drink and a spot of lunch.

All our light and airy stables and field shelters are in pristine condition. We have approx 20 acres of well-managed and rotated paddocks, with plenty of natural shelters and hedgerows for foraging. Our tack room is alarmed and has its own kitchenette/tea-making area, designated storage space and sheltered seating area for having a cup of tea. Further facilities include parking and hay is made on site.

We want to encourage our DIY'ers to help each other but if that's not for you, don't worry, help is on hand and we can give assistance Mondays to Fridays if you need it.

If this sounds like the place for you and your horse and would like more information, please call Jenny on 07973 458560 07973 4585...(click to reveal full phone) .
