The Phaseone Smart Alarm range is the perfect option to secure your home or business premises and it's available to install within 7 days.

Here at Phaseone, we have years of experience in the security industry and provide a range of high-quality wireless alarm systems.

Our systems are grade 2 and BS8243 compliant – giving you reassurance your home or business is fully protected.

We can also act as the first responder or keyholder to your premises in the event your alarm is activated. Our keyholding and alarm response has been certified to British Standard BS7984.

Our intruder alarm monitoring packages start from £4.99 per month based on 36 month monitoring period and £559.00 system purchase or £25.99 per month over 36 months without any upfront fees.
