Location Yorkshire and the Humber, South Humberside https://www.freeadsz.co.uk/x-553276-z

Leather settee, in a lush deep red/Burgundy. The colour is absolutely fantastic and must be seen to appreciate. it is 6 yrs old and in immaculate condition, in fact its been hardly used. it is quite large measuring 2.7 long x 2.2 wide. The depth is 1m and the height of the back is 0.8. This settee was £2500 when we bought it, that's to say that it is not a cheap one, it weighs a ton and is very sturdy, the leather is soft and very hard wearing.

We are selling as we are changing our room around. it is not like some of the other corner settees you see, it's a !!
