To ensure all our new club members have the very best trial classes programme possible, the first (trial class 1) of your three trial classes will be an exclusive 60-minute session with only other trial class students, however, this is optional. During this first session, we will cover the fundamentals of Krav Maga so that when you join the main classes for your second and third class you will do so with confidence.

Why just the Fundamentals – Because good Krav Maga is the basics done well. You should never grow bored of practising the fundamentals, for they are the foundation everything else is built upon.
