Jump from roof to roof, skyscraper to skyscraper, to defeat Ori in a black and white platformer action adventure!

Warning: Loud music!

"Hello, welcome to the mighty ring of fire", This is what Ori, king of the towers said 16 years ago, "Surrender to my power within 16 years or the towers will be crawling with life from all around, zombies and mines, and you might even see the legendary pheonix. The pheonix is my soul, a direct connection to me. If you see the phonix it will be like fighting me, but with unheard of strength". 16 years have passed since Ori said this, and we have been noticing changes lately, we have only recently linked it to Ori's speech, but it must be what's causing it, there is no other answer. King Ori...
