Classic lash extensions

(approx 2 hrs) £25.00 for a limited time only for my portfolio.

Lash lifts still only £25.00 including lash tint and add £5.00 for a brow tint.

Call Danni for consultation or to make an appointment. I have my own private home studio, fully gualified & insured.

As I have started on my own I can hold the prices for treatments until Xmas. This means it's a perfect opportunity for you to try different treatments at little cost to you. Ever wondered how good lash extensions would look on you? They don't need to be the full on glam look... most of my clients prefer a natural look. Lash lifts are perfect if you prefer to wear little make up. Call for a chat and see if we can make you feel special today
