

Clarinet and Saxophone teacher

Location **Wales, Gwent**

I am a second year clarinet student at the Royal Welsh College of Music and Drama. I do saxophone as a secondary instrument and want to go into 1:1 teaching. I have previous experience and a valid DBS check. I can currently teach on the college premises and am looking to start teaching some students of any age and ability.

It doesn't matter to me whether you just do music because you enjoy it or because you are thinking of taking it more seriously. I will be there to make sure you enjoy it no matter the direction you want to go in. If you are at all interested or have any questions then please give me a call or a text on 07730494531 077304945...(click to reveal full phone) !
