

# Feather amp Black Olivia daybed and mattresses (450 GBP)

Location **South East, Kent**  
<https://www.freeadsz.co.uk/x-557341-z>

A very versatile daybed in warm white/cream, no longer available direct from Feather & Black but coordinates with other items in the current Olivia bedroom range.

The single daybed is in a New England style and is made within a panel frame. It slides open smoothly to convert into a generous super kingsize and contains 3 storage drawers increasing the practicality of this piece.

It is being sold with both the original Harper mattresses which stack to make a regular depth single when the daybed is closed. Open the bed out to superking size and place the mattresses side by side to provide a comfortable alternative and very generous sleeping arrangement for guests or sleepovers! Both mattresses have been covered with protectors throughout their use.

Wear & tear: The bed has a few knocks to the paintwork (see photos), consistent with use and there is a small cut in the surface fabric on one of the mattresses. Otherwise all pieces have been well cared for and are sold in very good condition.

Dimensions: W200cm, L185cm (max), H86cm  
 Original RRP: £1145 (bed), £165 (mattress)

From a smoke-free home.

Collection only before 4 November please.

\*\*Please note only the daybed and mattresses are for sale. Other items in the photos are for illustrative purposes.\*\*
