I'm looking to build up my horse knowledge and experience so offering a few hours of my spare time a week to help out with any stable/yard duties. I've worked on various riding school and livery yards in the past but ive had a break from horses so wanting to get back into it. I'm competent and confident at mucking out, feeding, rug up and turn out, grooming. I've recently started horse riding again. However, I'm not wanting to help out for payment or free rides I just want to build up my experience and do something I enjoy in my spare time :)

I'm a sensible 30 year old I'm also a nurse, so I work different shifts and wouldn't be able to guarantee a specific day and time each week. Depending on my work shift patterns I will be available, weekends, days, mornings and evenings. I'm looking for someting around the York area, as I have no car at them minute it would need to be somewhere accessible by foot, bike or public transport. I'm happy to speak on the phone and answer any
