<https://www.freeadsz.co.uk/x-560197-z>

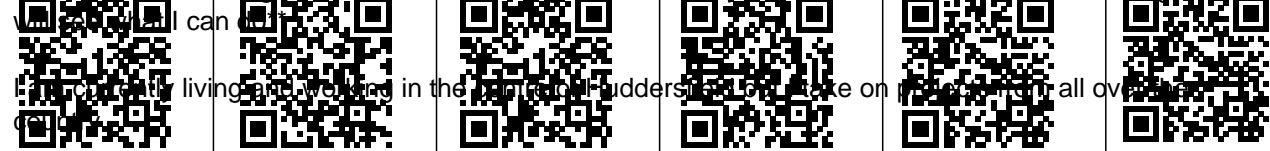

My name is Olivia Habermel and I'm a freelancer and final year Graphic Design student from the University of Huddersfield. As part of my placement year last year, I want to continue to build up my freelance portfolio and therefore offer my skills.

My focus is mainly logo and stationery design but I design all kinds of printed materials such as magazines and booklets, posters and flyers and even stickers, and digital materials such as email signatures, banner and cover ads, pop-up ads, e-booklets and e-magazines. I also do a little bit of video editing, web design, tattoo design and wedding materials.

I offer:

- Branding design (logos, brand guidelines, etc...)
- Stationery design (business cards, letterheads, etc...)
- Printed materials (magazines, booklets, posters, flyers, invitations, stickers, etc...)
- Digital materials (email signatures, e-magazines, pop-up ads, banner ads, cover ads, etc...)
- Website layout and design
- Video editing and animation
- Tattoo design
- Wedding material design (invitations, labels, thank you cards, place cards, banners, posters, personalized materials, comment book/cards, ceremony programs, Groom & Bride timeline posters, etc...)

**If there is something you'd like but is missing off of the list, please feel free to send me a message and I

I can help you with your business cards, letterheads, posters, flyers, invitations, stickers, etc... I am currently living and working in the town of Huddersfield, West Yorkshire, all over the UK.

If you are looking for a fresh graphic designer, please drop me a message on Friday-Ad with a brief outline of your idea and we can take it from there.

I look forward to hearing from you,

Olivia Habermel
