Go ahead and take the LiveBox challenge. search everywhere and compare us with Service Providers, Consultants, or anywhere else. There's no better functional and value for money solution than LiveBox for what you can get inside one single Box.

Why is the same solution more expensive with alternative options?

Other solutions are expensive because their sales pipeline has a lot of commission makers. We are product specialists and we choose to use a different path to communicate to our customers and sell directly to our customers.

What are the limits?

There are no limits on usage on our solution. We test every transaction to ensure you so that you can scale up with CPU, RAM and Bandwidth you use so that you can upgrade to a higher bandwidth. Our multi-core processor is designed for our usage.

What else can you buy?

Location based connected CDNs are also available to provide you with the lowest latency. Unlimited transcoding.
