Location **South West, Somerset**
<https://www.freeadsz.co.uk/x-560328-z>

This is a Stovax Riva Studio 2 free standing wood burner. It has been used for 2 seasons and is in good condition. All the fire bricks have been replaced. Output is rated at 8KW nominal.(see photo) There are some minor scratches on the outside but nothing outstanding. Full details at:<http://www.stovax.com/stove-fire/studio-freestanding/studio-2-freestanding-wood-burning/>
 We used this to hat a room measuring 9mtr x 6mtrs. We knocked through to an adjacent room which almost doubled the area so we upgraded to a larger burner. This is a heavy item so collection only. You will need 2 persons to carry it. Measurements are on the Stovax site. These retail between £1700 and £2000 so our price offers a great saving. Item location Langport.
