Prototype FULL BODY SILICONE Nevaeh baby

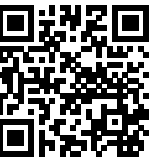

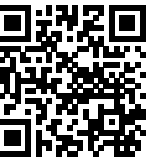

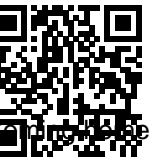

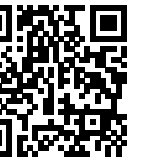

#1 of 10

Nevaeh was sculpted by myself from a block of clay!! She was also moulded and poured by myself. Nevaeh is poured using only the highest quality Platinum EcoFlex 20 silicone to make her move like a real baby.

Nevaeh is 20 inches in length and weighs approximately 10lbs.

Nevaeh has beautifully soft skin just like a newborn baby. She has realistic veins and capillaries and mottled skin. Her head, eyebrows and eyelashes are rooted with medium brown Premium mohair. Her eyebrows are sealed into place. Her hair is lovely and soft. As she is solid silicone baby, her hair cannot be sealed inside her head, so extra care must be taken with her hair as it can come out with harsh brushing. She has an open mouth to take a full dummy/pacifier. Nevaeh's finger and toe nails and tipped and sealed. Her lips are sealed to give them a moist look.

Nevaeh is 20 inch in length and wears Newborn size clothes  
 Feet - 8-9cm  
 head circumference - 35cm
