70 Marshall's Perfecta paving slabs (600x600) which have not been laid. These slabs have some slight imperfections. "Marshalls Perfecta with its exposed aggregate and polished surface make it an ideal paving material for a contemporary theme where a terrazzo style of paving is desired. Natural colour has a warm tone with a mix of grey and light coloured flecks of blended Yorkstone aggregate to provide a slip resistant finish."

Also 4 tubs 15Kg (unopened and kept cool and dry since June) of Marshall's Weatherpoint 365 buff currently £46 a tub in Travis Perkins
