Our banknotes are printed on 80% cotton 20% cellulose paper which differs substantially from normal paper. By using a special printing technique, several picture elements on the front of the banknote are identifiable by touch. The guidelines on detecting counterfeit currency give a comparison of genuine and falsified security features.

- Our bills/notes bypass everything, counterfeit pens and machines.
- Can be used in banks but can be used else where same like normal money
- We have the best HOLOGRAMS AND DUPLICATING MACHINES
