Here at C&H Carpets and Flooring LTD we pride ourselves in our genuine help and advice from point of sale to the completed installation.

Our Bridgwater showroom opened at the start of 2017 being a newest showroom at present. We plan to open more showrooms around the area in the near future.

We are a family run business which has been trading for some forty years; because of this our ability to source most products from most manufactures is very high.

All our fitters are handpicked and employed by C&H Carpets and Flooring LTD and work to the highest standard. We employ all our staff; we do not hire agency fitters.

We offer a FREE measuring service; with this service we can bring samples to your home on request, otherwise we have 5 showrooms with a vast amount of samples to view and choose from. After your measure date our team will then prepare a no obligation quote. No matter how large or small the installation, you will receive the same level of detail and quality as you would expect.

Our fitters are extremely flexible and very skilled at fitting a large variety of floor coverings. We now have a fully trained work force of 20 installers which are qualified and experienced in every aspect of floor preparations from damp proofing, uneven sub floor, sheet vinyl tiles, cushion floor, carpets, rubber flooring, safety flooring and Karndean flooring.
