

Best and New Barr and Stroud Binocular

Location

London, London<https://www.freeadsz.co.uk/x-564757-z>

The attractive and stylish Roof prism binocular that is well suited for medium range observation. Constructed with durable material to withstand rough handling and rubber armoring protects from shocks and harsh environmental conditions. The binocular incorporated high performance Bak-4 prisms that produce sharp images with extra high resolution and high quality ED glass to control over chromatic aberration. The large size objective lens, phase corrective Dielectric coatings and fully multicoated optics delivers brighter and high contrast images. The binocular offers appreciable flat field of view with extremely low distortion. The binocular is best choice for travelers, naturalist, bird watchers and other outdoor.
