John Lewis Washing Machine For Sale - Make me a offer (99 GBP)

East of England, Cambridgeshire Location https://www.freeadsz.co.uk/x-565081-z

In very good condition - has rarely been used. Replaced it due to renovation and Mrs saying the white colour no longer goes with the decor! Would be a shame if I couldn't find a new home for this, so make me a offer. £99.
