I studied drums at Conservatoire de Toulouse in France and give private lessons to people of all ages. I have extensive experience of live performance and have been in many bands throughout the years, developing my skills as a musician. I currently tour the UK and abroad with soulful hip-hop group Lazy Habits and work regularly with bands such as Meraqi and EMANATA, taking an active role in composing, recording and producing original music. I was a member of the London School of Samba for several years, teaching and directing as well as performing frequently at events including the Chinese New Year Celebrations in Hong Kong and on Glastonbury's John Peel Stage with Bombay Bicycle Club.
