DO YOU have an interest in amateur theatre, with either a penchant for acting or backstage production?
 ARE YOU looking for a new challenge or project to occupy some of your spare time?
 WOULD YOU consider spending one evening a week with like-minded people, intent of having some fun and creating a piece of entertainment for the local community?

STAGED...

At Staged, we're always keen to meet interesting people, who in their own individual way, can add something special to the group. You don't need acting or production experience but you will be made to feel part of our family, regardless of which aspect of the activity you wish to donate your time and talent to.

The group is currently looking at a new, more informative and involving structure for it's sessions, which will include periodic development activities, both individually and in teams. We are planning some diverse projects, including a very exciting improvisation based idea which will add to the whole Staged experience for group members and our audience.

Meetings will probably take place one evening a week, between the times of 7pm and 9:30pm at the latest. A venue, likely to be in the Cherry Hinton area has yet to be found, and a maximum fee of £2 per person per week will contribute solely to the hire cost of the venue

We are keen to hear from folks with or without theatrical experience, who would like to join us for fun, sociable sessions in pleasant surroundings.

Staged Cambridge will commence its program for 2018 early in the New Year.
