have a gorgeous litter of rare "Teddy bear" American cockapoo puppies for sale in various shades of deep fox red to golden red. 2 girls and 3 boys left.
 mum is my gorgeous cream buff American cockapoo and dad is a Well known fox red toy poodle stud dog. This makes them an F1B and results in a more curly cost less likely to shed and varying sizes from small toy too small miniature.
 The puppies are growing up in the middle of my kitchen used too noises, other dogs ,everyday life and lots if attention and cuddles provided.
 We have had excellent feedback from owners of Beau's previous litters who we keep in touch with through a private Facebook page that we would really like future owners to join.
 The puppies will be PRA clear with dads certificate provided. Will have 5th generation papers a full vet check, microchip, first vaccination and puppy pack first worming and flea treatment record, and 4 weeks free pet plan insurance.
 In line with kennel club recommendations the puppies will be ready to go at the end of January around 10 weeks of.
