Beautiful hand painted antique Ercol oak cabinet. Stunning colours and in fabulous condition with original handles and knobs. This is a totally unique piece, mainly teal and with accents of ink blue, pale grey and pale blue, lacquered with specialist chalk-paint lacquer for a durable matt finish. The top part is designed for bottles and glasses and is the perfect size for wine and spirits, there are two spacious drawers and the cupboard at the bottom provides lots of storage with an extra shelf. Teal is the must-have colour this season in home furnishings and this piece will look fabulous in any room, it is definitely the only one like it so you will be purchasing an original. Solid oak, except the side panels which are a different wood. The interior is untouched, however if the purchaser wishes I can paint it a colour of your choice. The measurements are 123cm wide, 124 cm high and 46cm deep. I will accept a reasonable offer and can deliver for a price to be.
