Hello,
 I am offering household services for the whole of London. I am currently doing a masters but I am trying to establish my household business on the side and would love to build up clientele so I thought I would give this a go.

- I offer services that include the following:
- Cleaning residential or private properties
 - Mail waiting
 - PA services
 - Child minding
 - Picking and dropping kids off at school
 - Food preparation
 - Personal Shopping (Groceries or Clothing)
 - Launderette and Dry Cleaners pick up and drop off.
 - Dog Walking
 - Pet Sitting

My services are for the time poor and I also work on weekends.
 I cover north, south, east and west London and I am based in west London. I am available to start ASAP.
 It is my job to make your life easier through attending to what you can't.
 I am really trying to build a brand and be a successful business woman so I was hoping to start here for

some exposure and more experience.
 I am very competitive and charge £11 per hour for cleaning services as well as weekly or bi-weekly cleaning services. I am also offering one-to-one business coaching and as a business coach I can help you with your business plan, marketing, and financials. I am also offering a full range of business services including: business plan, marketing, financials, and more.
