Private Piano Lessons

G12 Studios offer private piano lessons on a Thursday and a Saturday with a fully trained, professional music teacher.

Our experienced music teacher trains all musical aspects of piano playing including; wrist technique, pedalling, articulation, repertoire choices, sight-reading, aural skills and confidence building.

Our music teacher uses fun methods ensuring that all students gain a full understanding of the rudiments of music thus enjoying reading and understanding music in class. Throughout playing, pupils will also undertake a recommended study of Eric Taylor's Music Theory syllabus which will ensure a deeper understanding of the theory of music. An exam in Music Theory could also be completed.

In our private sessions the Trinity Guildhall Syllabus or ABRSM Syllabus for piano examinations can be used.

Guitar Lessons

G12 Studio offers guitar lessons in private and group sessions, the group beginners class is a lovely class, offering a great opportunity for beginners to learn the art of playing guitar. Chords, rhythm, notes

and melody will be covered in a comprehensive foundation course with special emphasis on good technique. This course is suitable for both male and female beginners. For those wanting to brush up on their skills, students can take an expert tuition/teacher private lesson with the same teacher on a one-to-one basis at the same rate as a group.

Students are required to bring along their own acoustic guitar.
