Hello, I have a 10 month old Labrador that desperate needs rehoming to a loving home. She is a hectic pup and needs a lot of attention, she is brilliant with children and cats. As I have a 10 month old and a cat. I have just moved homes and my new house just isn't big enough for her, and I don't have the time to give her the attention she needs. This will need to be a forever home as I am so gutted she has to go, her name is.
