Very handsome, extremely affectionate and super friendly boy Leo is now ready to go to his forever loving home.

Leo loves outdoors, rain or shine and is happy, he is energetic and brings lots of joy and love. He is ideal for a family with children or other pets as he will loves that extra bit of attention.

He has very beautiful luxurious fur, as all of his siblings from his litter have. He is not tiny, but nice and chunky robust type, which is ideal for families that are worried about taking the extra risk with tiny dog.
