Advertising for my daughter. She is looking for flat or house in Brighton housing association or council who wants too swap for her flat in highly sought after area of the beautiful market town of Guildford in Surrey.

Flat is huge. Bright and airy. Cheap too heat. Always warm. Gets Plenty of light and sun. Small own patio area which leads onto communal area where children play. Safely. Pets are allowed close to all local amenities. Shops schools parks gym. Drs regualr buses too Guildford town centre and hospital and station flat newly decorated in tasteful greys. New carpets.

This truly is a gorgeous flat in such a lovely area. The only reason for moving is too be close to me I'm just outside Chichester. Hence her wanting a house in Chichester they want the Brighton property so you would be part of multiswap. Serious swaps only as this is a much wanted move. Thank.
