 Another great holiday at Villa Filip By Maggie Buckley on 20 October 2016

This villa, its location and its owner never disappoints. Villa Filip is a most comfortable villa in a great location. Its within easy reach of Coral Bay and Sea Caves. The villa is wonderfully secluded with lots of outside space offering a range of sitting out areas fruit and flowers. We love the large pool accessed by steps and a ladder which is always kept immaculately clean. Filip takes great pride in his place and wants his guests to enjoy their holiday, Hes a lovely interesting man who is always available for any help or advice. The villa is well equipped with all the kitchen paraphernalia you could want or need on holiday. As for Irene at Sundance...What can we say? Always available and always willing and wanting to help.

Thank you
