The villa was big enough for 5 of us with plenty of sun and shade for those that want it. The kiddies pool is an added bonus. There are plenty of excellent tavernas within close proximity. It is away from the madding crowd but within easy reach of Polis and Latchi if you want a resort. We stayed in the villa all week - it was that perfect. The photos do not do it justice but it is exactly like the photos, spotlessly clean with lots of room and every modern convenience you could want. The kids loved the wifi and the access to the computer was an added extra. We highly recommend this villa with one word - PERFECT!! From

our enquiry through to being on holiday, the service was first class, prompt, precise and professional. Even though the villas were not as good as we did not know when we arrived. The villas range from £525 per week November to
