

Renault Traffic 17 (12,500 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-583620-z>

Renault Traffic is larger, more practical and with greater comfort than before. It is 21cm longer overall, benefiting both crash protection and load carrying ability. The new Renault Traffic has become the most commodious van in its class. While Bluetooth is standard, Renault Traffic features 'Mobile Office' pack which comprises of a flip-down middle seat-back with storage for a laptop, a detachable clipboard and dash-mounted cradles available for smartphones and.
