This is the stunning Yamaha FZ1 S (Fazer) finished in red & black with matching detailing. It is a very good example of one of Yamaha's best selling models! It has had 6 services with the last one being completed at 18,001 miles. It will also come with a fresh MOT for its new owner. The bike looks unmolested however, there are just a couple of bits that have been changed, the standard screen has been changed for a tinted black screen, along with some sticky grips added plus an R&G tail tidy to keep the back end looking its best! As standard these models have plenty of power thanks to the engine, which is a de-tuned version of the crazy Super sport brother the incredible R1! You also get Yamaha's silver pot, mono block brakes along with USD forks, and a centre stand! These bikes ride beautifully, they feel very balanced at any speed, and the cornering ability is outstanding! If you can get such a clean example of this model, like this one is then it needs snapping up ASAP! Established in 1980, DC Motorcycles is one of the longest established motorcycle showrooms in the Huddersfield area. In stock are many New & Used bikes, & we offer finance with MotoNovo Close Brothers & Black Horse, so finance can be arranged & settled on your behalf. We also have full workshop facilities available.
