This famous courtroom drama series starring Raymond Burr (later Ironside) ran from 1957-1966 and was based on the books by Erle Stanley Gardner. Many were shown on UK tv around the same time which is when I first watched them. Having recently purchased the set new from the US and paid the duty to import it here, I've now seen every episode so I'm selling the set on. This is the cheapest price in the UK. Each DVD has been watched just once. This is the official CBS/Paramount release and is a Region 1 set that is not available in a Region 2 version - CBS/Paramount issued only Series 1 and 2 as Region 2 releases (which I am selling separately). A multi-region player is needed to watch Region 1 discs - I'm selling 2 of my multi-region players separately if you need one. Inspection welcome. Cash on collection only. No postage or delivery and no offers,
