

# Vintage Colibrit Gold Effect Lighter (5 GBP)

Location **South West, Avon**

I'm clearing unwanted clutter and this is a Colibrit autoflint gold effect lighter, this was my Mum's so is vintage, must be about 30 odd years old, so 1980's maybe. Doesn't work at the moment so probably needs refilling or something. Else in good condition. Approx. size 2" x 1".
