2007 Mini Cooper Diesel

Being offered is this lovely Mini Cooper diesel, it's a great little car very clean with full black leather super MPG up to 60 MPG MOT until 08.11.18. It has covered 117538 miles with good service history.

### Interior

The interior is in very good condition the black leather seats are in good order with very little wear on the bolster. The black seats with the piano black accents look great and with the colour changeable night lighting it's a very nice place to be. This is the Cooper model with extras it comes with full black leather seats, multi-function steering wheel, cruise control, air conditioning, electric windows, electric heated mirrors, CD player, traction control and optional arm rest. Being honest its very clean and everything works as it should.

### Exterior

The exterior is nice and clean I have just given it a three-stage polish with a sealer it took hours, but the results speak for themselves, this is a 2007 car there are some little marks here and there but nothing major. The alloys wheels are in good order with good tyres with plenty of tread, I think the Union Jack mirror covers look great and the old English white with the black roof is a good combo.

Great Running  
 This 1.6 diesel is fast and smooth with economy, they are great economy, they are very easy to drive up to 60MPG if driven correctly. The six speed manual gearbox is smooth and the clutch is positive with a good biting point. The brakes, exhaust and suspension are in good order. I have given the car a service on inspection I found the oil cooler was failing it has been replaced there are no issues with the car. In the past year the alternator, front tyres, radiator and EGR valve have been replaced.

03.18 117575 DRG Auto Services

There is no evidence of a timing belt change this has been more than reflected in the asking price.

The car comes with one main key the remote is working fine there is a second key, but the code has dropped it needs to be reprogrammed.

I have all the manuals including the service book some invoices and MOT's.  
The V5C is.
