This is a stunning condition A2 licence friendly Kawasaki Z300 in traditional Kawasaki green & black. The previous owner, opted for an Akrapovic can, & registered it with DataTag, which can be transferred to any new owner direct from DataTag. The bike has barely been used & is in fantastic condition with only 350 miles on the clock! The bike is a great buy if you're on a restricted licence or if you're of smaller stature due to it's lowered seat height. It has a great big bike feel but without the increased running costs. As standard you get wavy discs and ABS brakes, which really do settle you down if it's your first bike after a 125cc machine as you have the peace of mind knowing the bike won't lock up if you do make a slight mistake on your braking. It comes in the traditional Kawasaki colours of green & black but in a satin finish which really draws your eyes to it, absolutely stunning in any light! What are you waiting for, get this nearly new bike today! Established in 1980, DC Motorcycles is one of the longest established motorcycle showrooms in the Huddersfield area. In stock are many New & Used bikes, & we offer finance with MotoNovo Close Brothers & Black Horse, so finance can be arranged & settled on your behalf. We also have full workshop facilities available. There is a full stock of clothing, protective equipment & many accessories on our top floor so why not pop in for a coffee and browse our stock in our purpose built.
