Offering for sale a lovely, clean, refurbished HP Pavilion 14-b130sa Laptop.

Graded Refurbished.

The Pavilion 15 comes preinstalled with the expressive Windows 8 operating system. Packed full of intuitive apps, it gives you the information that's important to you as soon as you need it.

The Start screen is based around Live Tiles. These program icons display real time information from all your favourite apps including social networking, emails, news and sports directly on the home screen. You don't even have to open the program to receive important info and notifications.

There are additional features too with the pre-installed Windows 8.1 update. These include the reintroduction of the Start button, new Live Tile sizes and adjustable four-way multi-tasking windows along with developments to the lock screen, search and more.

Excellent everyday performance.

The Pavilion 15 is powered by an i5 4th gen. An APU features both a processor and graphics card in one compact unit and delivers fast, everyday computing with excellent graphics.

The A8-4555M features quad-core processing which, when combined with 8 GB of RAM, delivers effortless multitasking. So whether you're working on multiple spreadsheets and documents or simply want to stream music while you browse, you can rely on the Pavilion 15.

Large capacity storage.

File storage is provided by an impressive 750 GB hard drive that's capable of storing a whole family's worth of documents, music and software.

Backing up your data is fast and easy thanks to three USB ports, three of which are USB 3.0. With far faster transfer speeds than previous generations, USB 3.0 lets you work more efficiently, even though it's the same old-fashioned disc or hard drives.

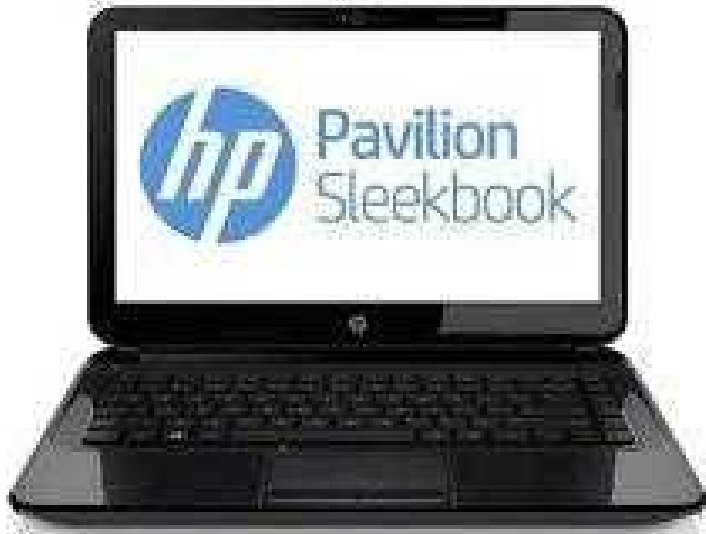

Getting a new laptop, there's also a hard drive to set up, each with its own software. Get the files or software you need.

Get connected.

Accessing your internet is simple with built-in WiFi connectivity, you can also watch, play or work on a bigger screen in Full HD thanks to the HDMI port perfect for watching films or playing games with friends.

Fantastic features:

The Pavilion 15 features plenty of handy features to make our life that little bit easier including HP TrueVision webcam or staying in-touch love one, a full-sized island-style keyboard for comfortable
