Mens 9ct solid gold automatic 1960s Eterna Swiss vintage watch, in incredible overall condition. 35mm case. Original Eterna 21 jewel brevet automatic (self-winding) movement, with Arabic silver dial - hours/minutes/seconds. Unmarked crystal. New strap. I have been the only owner. Excellent everyday, and evening wear dress watch for someone. Neutral presentation box is also supplied. NOTE: If you have an older style 1980s Rolex oyster perpetual similar to the one shown in the last two images, I would be pleased to p/exchange my solid gold Eterna towards it with cash either way. Saves either of us having to go to a jeweller. Eterna was founded in 1856 in Grenchen, Switzerland. They remain at the forefront of many watch industry breakthroughs, and are certainly among the top 20 Swiss watch brand houses, i.e. Audemars, to Zenith. Viewing advisable, but will/can post 1st class, for the amount stated. Genuine private watch collection sale, so please phone in complete.
