FASCIA . SOFFITS GUTTERING . DOWNPIPES CONSERVERTORIES WINDOW FRAMES

Over time UPVC products can become dirty and gutters blocked, mainly from the build up of moss, algae and trafç pollutants.

Norwich Cleaning offer a professional service for all your external upvc products. Using a combination of ladders and poles we can get to all those hard-to-reach areas, such as over extensions and conservatories, that so often go uncleaned.

DRIVEWAY AND PAVING CLEANING

Brickweave drives pathways and paving often become dirty - weeds and moss often ll the joints. We offer a professional deep clean to restore it back to its original look.

This is a four or ve stage process.

- 1 Checking drainage and ensuring no blockages are caused.
- 2 Using professional equipment, pressure wash the area removing all surface dirt, weeds and moss.
- 3 Clean all the surrounding area and take away all debris.
- 4 Once dried we rell all the joints with kiln dried sand on brick weave and we offer rejoining on paving.
- 5 We can apply a sealant which will protect the surface.
