This beautiful Renault Clio has just been taken in as a part-exchange coming from a very careful lady owner who original bought the car from us back in February 2013.

This car has clearly been looked after and maintained throughout its entire life, with 6 service stamps in the book to back that up with the most recent being carried out here at acar2go.

The car itself has a 1.1 litre petrol engine, 5 doors, ISOFIX fitted, a boot big enough for anything from the weekly shop, to all the kids accessories or any other day to day baggage you would need to transport in the car. It has everything you could ask for in a low-cost, good value for money vehicle and it is one that we definitely do not expect to see on our forecourt for very long at all, so make sure you are not beaten to this gem of a car.

Pop in and see us here at acar2go on London Road in Aston Clinton just outside Aylesbury, we are a friendly, no pressure, customer focussed team who look forward to meeting you. Do NOT miss out!
