9 months old male whippet/greyhound. Change of circumstances forces sale. He loves people dogs and children , he has an excellent soft natured temperament. He's used to an active lifestyle and loves to run free , he comes back on a whistle. He's great while travelling in the car.

Hes a loved well cared for dog that's had a lot of effort put into him. Hoping to re home with an active owner / owners that can commit to the time he needs. Price is negotiable , his happiness is more important and my peace of.
