Location **South East, East Sussex**

Illioulusti Thea is one of 5 villas on a secluded olive grove terrace. Our patio extends round two sides giving a private eating and relaxing area. Our low stone wall separates us from a beautiful deep valley filled with olives and wild uncultivated areas. Beyond is the Aegean Seaway with the next island of Skopelos, and on a clear day Alonissos . Facing East you awake to the sunrise and on your return at the end of a hot day, the cool of the evening as the sun sets behind the villa. No pool.

**The space**

Your own (Booked in advance) transport is essential as we are on a mountain side above the town (out of sight and sound) We have used Victoriarentals -Skiathos, a Greek family company, & Mustang Rent a Car-Skiathos, both with web sites and based in Skiathos Town and at the airport. With Victoria you collect and pay for your car at the airport, leaving it back there when you leave. They have been an excellent company to deal with over 16 years. But it is well worth you investigating Mustang as well who will offer a similar arrangement. Parking is by our villa. Both our neighbours are English and don't rent. There are two shower rooms, one on each floor. A comfortable Salon with TV (only news channels) but a DVD slot. No established Wifi except via smart phone. Reception varies. We have an English lady Flo, resident on Skiathos, who provides cleaning and laundry services and meets you at the airport or ferry terminal, subsequently guiding you to our villa to settle you in.

You must view our website via your browser 'ourskiathosvilla' for more information about the island, tour round the villa, videos and contact information for Flo. our 'agent' via our email address. This contact is essential to maintain physical and phone contact for you during your stay.

Please do your research on our villa and Skiathos before booking to avoid any disappointments.
