

A pair of Louis style french chairs (300 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-589237-z>

2 beautifully crafted louis style french arm chairs with vibrant deep red velvet upholstery and a mahogany wooden frame. These have been used as they are vintage so expect some scratches on the wooden frame but the upholstery is generally in very good condition. Incredibly comfortable for arm and back support. Very stylish and.
