### Distant Art Psychology

There are many children who cannot attend our classes due to distance, time or other circumstances but here at The Arts College we offer a distant learning option.

### How does this work?

We send you a specially designed work book full of art activities for your child to complete at home. You will be given guidance how to work with your child or can leave them to complete their activity.

On completion of 4 art activities the art work is posted to the college for assessment, a report is emailed and parents will receive a consultation via phone or Skype lasting 1.5 hours.

The cost for course book, assessment and consultation is £80.00
